Take Wing And Soar Productions receives NEA Grant to support its 10th Anniversary Mainstage Production of THE IMPORTANCE OF BEING EARNEST, directed by Kevin Connell

[New York, NY- December 4, 2012] -- **National Endowment for the Arts (NEA) Chairman Rocco Landesman** announced today that **Take Wing And Soar Productions** is one of 153 not-for-profit organizations nationwide to receive an **NEA Challenge America Fast-Track grant**.

Take Wing And Soar Productions is recommended for a \$10,000 grant to support performances of **Oscar Wilde's THE IMPORTANCE OF BEING EARNEST**, directed by **Kevin Connell**. This adaptation of Wilde's play will be set in Harlem during the 1920s, drawing parallels to the original play and black bourgeoisie manners of that era.

In this FY 2013 funding round, the NEA received 393 eligible Challenge America Fast-Track applications, requesting a total of \$3,930,000. The NEA will award 153 Challenge America Fast-Track grants totaling \$1.53 million awarded to organizations in 41 states, Washington, DC, and the U.S. Virgin Islands. These include 49 first-time Arts Endowment grantees. The Challenge America Fast-Track category offers support primarily to small and mid-sized organizations for projects that extend the reach of the arts to populations whose opportunities to experience the arts are limited by geography, ethnicity, economics, or disability.

Take Wing And Soar Productions is honored to have served its community for the past 10 years, giving center stage opportunities to classically trained actors of color." said founder and producer Debra Ann Byrd. "We are fortunate to have **Kevin Connell** on this project. It is so nice to learn that the national grants panel has acknowledged his past work and is supporting him as the director for EARNEST." "We are also so very grateful to our congressman **Charles Rangel** for his many years of support and very happy about receiving our first federal grant. It will go a long way towards helping us to provide quality programming to the communities in which we live, work, and serve."

THE IMPORTANCE OF BEING EARNEST is scheduled for a limited run from **June 14th** through **June 30th** at the **Poet's Den Theater** in East Harlem. Tickets for the show can be purchased at 212-352-3101 or www.takewingandsoar.org

"The **NEA** was founded on the principle that the arts belong to all the people of the United States," said NEA Chairman Rocco Landesman. "We're proud that Challenge America Fast-Track grants bring more opportunities for arts engagement to underserved communities." See the complete listing of projects recommended for Challenge America Fast-Track grant support at www.arts.gov.
